Dear Parents

### Children Bringing Mobile Phones to School

We do appreciate that parents of Y6 children who are walking to and from home alone in preparation for secondary school, may wish their child to have a phone with them in case of emergency. With the increase in opportunities for cyber bullying and issues with children on unfiltered internet connections, we are concerned that children maybe accessing the internet unsupervised, without parental knowledge of what they may be looking at.

Therefore please can **only the children who are coming to and from school on their own and whose parents wish them to have a phone with them bring mobiles to school.** The slip below must be returned before they start to bring a phone and we ask that parents ensure that they supervise their child's internet access and any messages that are sent on it.

Phones are brought at your own risk and school cannot be responsible for any breakages or losses. All phones must be given in at the office at the beginning of the day and collected at home time.

Many thanks for your support with this.

Yours sincerely

Mrs F Feeney

---

I give permission for my child \_\_\_\_\_ in Year 6AC/6BH to bring a mobile phone to school as they are walking to/from school on their own.

***If the phone has internet connection:***

I am aware that my child is able to access the internet unsupervised.

I understand that bringing a mobile phone to school is at my own risk and the school is not responsible if it is broken or lost.

The mobile phone will be handed in at the beginning of the day and collected at home time.
