

What is Going On at Warstones!

21.3.22

Championnes, Championnes, Ole, Ole, Ole!

Well done to our magnificent Y5 and 6 Football team—League Champions for the second time!

International links with Zambia!

Over the last two years, Warstones has been building links with a school in Lusaka, Zambia called the Kiine School. You can find short films about the school on You Tube and they have a Facebook page with pictures. After a successful British Council bid for funding, it was hoped that two teachers would go out and visit the school, however Covid put a stop to that! But we have continued looking at ways of working together on joint projects and hopefully resubmitting for funding to go later this year or early next.

To celebrate Warstones links with Kiine School, our whole school will be learning about life in Zambia on Friday 8th April. Everyone, from Teeny Weenies up to Year 6, will take part in a range of activities to learn about the country, with a range of visitors and hands on activities occurring throughout the day.

Children are welcome to come dressed in either colours used in the Zambian flag (Green, orange, black, red) or any traditional African print if you have some.

We would welcome a money donation on the day to support the joint project that Kiine School and Warstones will be undertaking together and to be able to send them data to keep internet links open.

We look forward to celebrating Zambian culture with all the children!

Health and Safety / Safeguarding Reminders

PLEASE do not let your child play on the KS2 gym equipment/climbing frame at the end of the day as it must be supervised by staff. It is not designed for EY/KS1 children so it is not safe for smaller children to use.

If your child is late arriving at school, a parent needs to come to the office to sign them in. This is to ensure your child is safely registered and has not walked away from school without you knowing, once you have dropped them off.

Diary Dates: so far... Gentle reminder to please make your contributions on SIMS pay as soon as you can or let us know if there is a problem. We can only do events if we have enough support to cover costs and this is becoming an issue for school.

Our three Main School Priorities:
[Covid Catch up](#) and [Curriculum—Reading—Outdoor Learning](#)

Statutory Assessment Dates.

This year, the government have reinstated all the primary statutory assessment tests. If your child is involved, **IT IS VITAL YOUR CHILD IS IN SCHOOL DURING THE TEST WEEK.**

It is also important that they are regularly at school from now on to participate in all the preparation and revision practice that will be taking place if they are to achieve the best result they can. Early nights and healthy eating is just as important! Please do help support your child with this and any additional homework set. Reading is essential—the bigger the variety the better, as is discussing what they have understood about the text afterwards. Year 4 really need to be blasting their way through TT Rockstars at home!

Year 1 Phonics Screening: Wk bg 6th June 2022

Year 2 KS1 SATS: During May 2022

Our staff have the right to be treated with dignity and respect at all times.

They should be able to do their jobs without being physically or verbally abused. Most people respect this and we thank you. We do want to work with you to resolve any concern and ask that you email the school to arrange a meeting so we discuss the issue calmly and to look for a mutual understanding and resolution.

Please do not speak to staff in anger on the phone or at the classroom door/office/gate or send aggressive e mails.
