Head Teacher: Mrs Fiona Feeney

July 2023

Dear Parent / Carer

Year 5- Swimming

As part of the National curriculum, we are going to be taking the children in 5JC to Codsall Leisure centre for a weekly swimming session in the Autumn term. These sessions will take place every Tuesday from 11:55-12:55.

Each swimming session will be delivered by 2 insured and qualified level 2 instructors. Lessons will include key swimming skills, water safety and an assessment on the children's ability to swim 25 metres (the standard set by the National Curriculum). Your child's class teacher and teaching assistant will be supervising the children on the coach and in the leisure centre, as well as being poolside.

For the sessions, girls must wear a one piece swimming costume and boys must wear trunks or jammer style shorts. All long hair must be tied back and children should not wear jewellery or watches to school on the days that they swim. Each child must bring a towel with them and can choose to bring goggles to use. Please label swimming costumes, towels and swim bags with your child's name to ensure that lost property is kept to a minimum. All children who require inhalers must have one in school that we can take with us to the sessions. As these sessions overlap with lunchtime, the children will have their lunch break once they return to school (approximately 1:20). If your child is a school dinner, they will receive a sandwich bag for that day. If this is the case, please complete the attached form and hand it in with the below slip.

As these sessions require a coach journey each week, we are asking for a small donation of £15 to help contribute towards the cost of the coach. As we are changing our payment suppliers this summer, we will provide details on how to pay in September. To ensure consent for the coach travel, please complete the below slip and hand it in to your child's current class teacher before the end of term.

Thank you for your continued support,

Mr A Powell
Assistant Headteacher

I give consent for my child to travel to and from Codsall leisure centre each week for their swimming sessions. I understand that the sessions will be delivered by trained professionals and is part of the statutory expectations set out in the National Curriculum.

Allergen Management Packed Lunch Order Form

Due to the introduction of Natasha's Law 2021, food businesses are required to provide allergen information for 14 allergens at the point of ordering, to protect allergy sufferers and give them confidence in the food they are provided with.

Your child is going on a school trip and to ensure compliance with Natasha's Law, you must pre order their packed lunch contents. If this form is not submitted a packed lunch will not be provided.

Please complete the below form and return it to school.

Pupil Name:

Pupil Class:

Parent Signature:
