Head Teacher: Mrs Fiona Feeney

Dear Parents/Carers,

When we return from this half term break, we will be concluding our Allotments topic by baking some honey biscuits and designing suitable packaging to transport them in. The main ingredients for the biscuit are butter, self-raising flour, sugar, egg yolk, and honey.

We would just like to double-check that we have the most up-to-date dietary and allergy details for your child. Please put a tick next to any of the ingredients in the table below if they are **NOT** allowed to use that ingredient.

Thank you in advance.
